

OLYMPIC DAY FUN RUN 2011

MEDIA RELEASE

Due to overwhelming response from the public for the Olympic Day Fun Run 2011 to be held on 17th July 2011, the Olympic Council of Malaysia (OCM) and the Federal Territory Amateur Athletics Association (FTAA) wish to announce the closure of registration at 4.00 p.m. on 2nd July 2011, from the earlier announced date of 7th July 2011, as the targeted maximum number of participants of 10,000 runners have been reached.

OCM and FTAAA regret to have to close the registration before the earlier announced date of 7th July 2011, as organisation of the Olympic Day Fun Run 2011, was planned for a maximum of 10,000 runners. This is to ensure that the Olympic Day Fun Run 2011 will be conducted in an orderly and efficient manner, for the enjoyment of all the runners, with straining the logistics and capacity of the organizers of the Fun Run.

OCM and FTAAA wish to apologize to all the runners who have been disappointed by not being able to register for the Olympic Day Fun Run 2011. We wish to thank them for their support of the Olympic Day Fun Run over the past years and look forward to their continuous support of the Olympic Day Fun Run in the future.
